## Personality

A hard-working, imaginative communicator with an eagerness to create opportunities. An enthusiastic self-starter, who takes initiative. Is at ease with lone working, or collaboratively within a group environment. Reliability is seen through task organisation and consistency. Obsessed with social media and learning about the ever-changing fundamentals of content and marketing. Driven by the knowledge and success of mentors, with a personal manifesto of 'choice' (Curiosity, honesty, open, imagination, courage and explore). Goal-oriented and motivated to deliver achievable measures to the best of my ability.
